What to expect from North Lincolnshire Dementia Advisory Service

Peggy's World CIC specialise in supporting those living with dementia, older age and frailty and as of January 2022 we are now offering the North Lincolnshire Dementia Advice Service supported by North Lincolnshire Council.

Peggy's World are keen to work in partnership with other organisations and local agencies to ensure families living with dementia receive the right support at the right time to improve quality of life. Although Peggy's offers home care and day care services, it is vital to include all other services available for the residents of North Lincolnshire. As such the Dementia Advisory Service will offer:-

- 1:1 support either via telephone or face to face, dependent on need (and COVID restrictions)
- Peer support groups and facilitate Memory Café's in North Lincolnshire.
- Training and education for Family carers.
- Post Diagnostic support for people diagnosed with dementia.
- Access to information and signposting.

Note:-
No booking is required to attend the memory café.
People can self refer to the service.
Professionals may refer people to the service.

You will be contacted to discuss your needs by one of our advisors within 14 days of contact being made.
